

A guide to wedding flower pricing

When it comes to pricing wedding flowers there are many variables to consider. Prices depend on seasonal availability, varieties of flowers and the style of designs.

It is recommended to set a floral budget of 10-20% of your overall wedding budget. This guide can help you determine what works best for you.

Budget Friendly blooms
(Roses, Carnations, Chrysanthemums, Hydrangea)

Classic Cut stems
(Premium roses, seasonal blooms, hydrangea, ranunculus)

Luxury Flowers
(Garden roses, Calla Lily, orchids, tropicals,)
